Take a seat the table in the wardroom and imagine yourself tasting one of our many freshly made dishes.

Safe from prying eyes, you will delight your partner by allowing them to re-live the Belle Époque, aboard your very own private yacht.

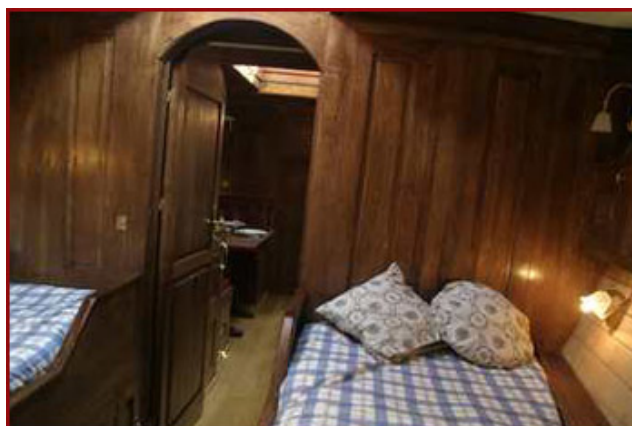

Take your time in the morning, lie in bed lulled by the lapping of the river and the reflection of the water sparkling on the

ceiling of your cabin.

The period English stove gives out a comforting warmth while you stay snug and warm in bed, watching the flickering of the flames.

And your guests, comfortably ensconced in their bunks, will be able to recount their dreams of voyages aboard the Kitikaé.
